## WHO IS OAA?

The Ohio Aviation Association is *the voice* for Ohio's airports. Our airports contribute to the economic vibrancy and well-being of Ohio, the birthplace of aviation. The OAA has brought attention to our industry that it never had before! We continue to voice your needs to legislators while watching out for legislation that could be detrimental to Ohio's airport environment.

Beyond legislative efforts, we offer the value of communication, engagement, and education. We keep an eye on the future while also offering everyday needs to our members such as a place to post job positions, RFP/Qs, etc.

We thank you for your support!

Stacey Heaton, AAE  
Executive Director
