

Erie-Ottawa International Airport (PCW)

Runway 9-27 and Taxiway Lighting and Signage Replacement

Project Overview

This ODOT Office of Aviation funded project included the replacement of Runway 9-27's existing lighting system. The new lighting system was an upgrade from the old incandescent lights and signs that previously lit Runway 9-27. The project included the installation of LED lights, PAPIs, and signs; cable, various underground infrastructure associated with the systems were also replaced. The project also included an upgrade to the vault equipment associated with the Runway. The lighting improvement project will continue to encourage growth at Erie-Ottawa Airport, by continuing to operate in a safe, efficient manner, supporting in the goal of becoming a self-sustaining airport. Learn more about the airport at: <https://www.portclintonairport.com/>

Project Challenges:

Phasing of construction in a manner to be safe and maintain the airport operational during construction.

Economic Impact:

This project brought \$660k in ODOT Aviation State funds to the area.

Future Projects:

- Apron Expansion
- Rehabilitation of Apron
- Eastside Taxiway Development
- Taxiway Rehabilitation
- Hangar Development

Funding Partner

The Federal Aviation Administration provides entitlement, discretionary, and supplemental funding for many of the projects required to increase safety, maintain infrastructure, and improve the capabilities of the nation's aviation system. The Airport Improvement Program, supplemental funding programs, and relief funding play a critical role in infrastructure development and operations.

Funding Partner

Support from the Ohio Department of Transportation Office of Aviation is critical to the success of Ohio Airports. Through direct (80%+) and matching grant (5%) programs ODOT provides much needed support of aviation infrastructure in Ohio. ODOT is also responsible for the protection of Ohio's Airspace for the safe and continued operation of airports in the state.

Ohio Aviation Association

Advocacy Partner

The Ohio Aviation Association is **the voice for airports** that contribute to the economic vibrancy and well-being of Ohio, the birthplace of aviation.
